If you believe in taking an extra step (or three) to do what's right, we think you'll fit right in as a Humana insurance agent. Our agents are the lifeblood of our business, so we go the extra mile to support theirs. Why? Because their success is our success. If you're ready for your career's next step, we're ready to help you take it.

Local support

Wherever a Humana plan is offered, you'll find a local Humana support team ready to help agents 24/7.

Competitive plans

Humana plans offer competitive pricing as well as a broad, nationwide provider network.

Education and training

Our library of educational resources helps arm agents with the latest knowledge, strategies and plan details.

Sales technology tools

Our suite of digital sales tools is built to help agents get rid of the busy work, focus on their clients and grow their business.

Selling a new product? Joining a new carrier? Or starting a whole new career? We're here for you and ready to help.

The Humana difference

You need a partner who will do more than say they'll go above and beyond for you—you need one who will actually prove it. As an agent, you can access a library of educational content on all things insurance sales, so you can brush up on the ABCs or the XYZs. Plus, our suite of tech tools can help you build a career that's as efficient as it is meaningful.

Why Medicare Advantage?

Freedom and financial stability. That's what we all want in our career, and that's what's available to you when you sell Medicare Advantage with Humana. There are millions of Medicare enrollees every year, which means the opportunity is ready and waiting. The opportunity to make a sale—and make a difference in someone's life—is ready and waiting.
